## News Letter

Friday 21st September 2018 Issue 119

Dear Parents/Carers,

This week has been another very busy week in school. Our younger children have already started their phonics and have settled well into their groups. I'm sure that they will all make excellent progress. Also our staff have been working very hard putting up beautiful displays along the corridors linked to our Author Study week work. Please do ask your children to share with you what they've been learning.

Next week, children across the school are starting to go out on trips to enhance their understanding and enjoyment of their curriculum. It is so important that the children have these experiences as it really does benefit their learning. As a school, we subsidise trips as much as possible, but unfortunately in these days of tighter budgets for everyone, we are unable to allow a trip to take place unless we receive enough voluntary contributions to cover the costs. If you do have concerns around paying for a trip for your child, then do please pop into school for a chat. Thank you for your support in this matter.

Today has been 'Jeans for Genes' day in school. Many staff and children have joined in and worn denim. We will let you know next week how much has been raised for this worthwhile cause.

Have a lovely weekend with your families. Let's hope the weather improves!

Best wishes,  
Lisa Gillam, Head Teacher

## Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
