Dear Parents/Carers,

We have had a busy, enjoyable start to the new term. Our older children were visited by Life Education West Midlands who taught them about healthy lifestyles. Across the school, Wow Curriculum launches have been taking place; Year 1 visited the Oak House as part of their new topic, 'Under the Sea' and Year 2 had a visit from West Midlands Fire Service as part of their new topic, 'Fire and Ice.' All of the children have really enjoyed their experiences. Please ask your child about the topic they will be studying this term.

This week, I have seen lots of children who have been reading at home. It is lovely to hear them talk with such enthusiasm about their reading. Thank you so much to all of our families who are listening and encouraging children to read. Please keep up the hard work. Good reading skills are proven to help children do well as they progress through education and into the wider world as adults.

Have a lovely weekend with your families. Thank you for your ongoing support.

Best wishes,

Lisa Gillam  
(Headteacher)

**every Monday.**

If you need to contact school please call 0121 553 2389. There is an out of hours answering service for you to leave a message. Please speak clearly when leaving a message with the name and class of the child, thank you.

## ABSENCE REMINDER

If for any reason your child is going to be late or absent from school  
**please call us before 9am.**  
We do have an answering machine and a message can be left at option 1 for  
sickness or option 2 to speak to Mrs Cheema direct.

Please speak clearly leaving your child's name and class and  
the reason for their absence.  
Thank you

### Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
- For more on keeping children safe online, visit these websites
