Dear Parents/Carers,

This week, we have had several curriculum enrichment activities. Our Nursery children went on their annual visit to Ashend Farm. You may remember that we had to postpone this trip due to the snow in December. The children and adults all had a lovely time, despite the weather!

Yesterday, the winners of our Christmas holiday reading competition had a wonderful morning at the 'Fab Lab' in West Bromwich. The children designed and made book marks and coasters using cutting edge technology. They have produced some amazing work, and today we have a group of children taking part in the Sandwell dodge ball tournament. Good luck to our team of children and their staff. As always, the children were a credit to themselves, their families and their school. I would like to say a huge thank you to all of the staff involved in organising and going on these trips. We couldn't do it without you.

Have a good weekend with your families.

Kind Regards,
Lisa Gillam

Please speak clearly leaving your child's name and class and the reason for their absence.
Thank you

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
