Dear Parent/Carer,

Thank you for expressing your preferences with regards to your child/children attending school. We respect your individual decision and we understand that these are difficult and anxious times for us all. In line with current government guidance, no legal action will be taken. Please note this may change in the future. You will be contacted should this happen.

We would like to inform you that should you change your mind about your child attending school, you will need to give the school one week notice via telephone or email (mailbox@lodge.sandwell.sch.uk). This is to allow for plans and preparations regarding social distancing and health and safety to be made. No children will be able to enter school until notice is given.

We will continue to set home learning activities, during term-time, so that all children have access to provision to support their learning. These activities will be in line with the whole school weekly theme approach that has been in place since school closed. As a school, we are further developing our teacher/pupil communication by inviting parents and children to share their fantastic home learning via our new year group emails. Please email evidence of home learning to your child’s respective year group. This may be in the form of photographs or uploaded documents of the children’s work. Teachers will check these emails and respond regularly. Please share these responses with your children.

Email addresses are as follows:

nursery@lodge.sandwell.sch.uk
reception@lodge.sandwell.sch.uk

year2@lodge.sandwell.sch.uk

year3@lodge.sandwell.sch.uk

Thank you for your continued support.

Yours sincerely,

Mrs L Gillam
