# News Letter

Friday 13th September 2019 Issue 002

Dear Parents/Carers,

The children have had a good week in school. Most year groups have completed their 'Wow' launches for their topics and have started to think about their enquiry questions, these are the questions which underpin the children's learning throughout the term. Please ask your children about what they are learning this term.

As you know, the wider curriculum is very important at Lodge. You will by now have received trip letters for this term for those year groups going out of school. These experiences are very important for the children's learning and really help to improve their understanding of the curriculum. We do ask that families make a voluntary contribution to fund these experiences. This can be paid in instalments if you wish. Should you wish to discuss this further, then please speak to your child's class teacher. Unfortunately, if costs can not be covered then we may have to cancel trips.

You will by now have received after school club letters. Clubs will be starting the week commencing 23<sup>rd</sup> September. Please note that our rule is that **all children** must be collected promptly after clubs and tuition finish including children in Years 5 and 6 who normally go home alone.

Have a lovely weekend with your families.

Best wishes,

Lisa Gillam
