News Letter

Friday 28th February 2020 Issue 022

Dear Parents/Carers,

I hope you all had a lovely half term break with your children despite the weather! We have had a busy first week back in school. On Monday, we had Ed from the Living Streets Charity lead our assembly. He talked to the children about the challenge which involves walking to school, or some of the way to school if you live a distance away, at least once a week. The children will earn badges for this achievement.

On Wednesday, our reception children went on their trip to LEGOLAND in Birmingham as part of their 'Let's Go Lego' topic. They all had an amazing time and were very well behaved.

We have an exciting half term planned for the children. Next week is 'Book Week' in school. We have some exciting events planned for the children. We are not dressing up this year for World Book Day, as we are asking the children to dress up on **Monday 9th March** instead for British Science Week. Please see overleaf for information from Mr Harborne regarding this.

Finally, I'd like to let you know, that Mrs Booker had her baby daughter, Rosie yesterday. Both mum and baby are doing well. I'm sure that you will join with me in sending all our love and best wishes to Mrs Booker and her family. Have a good weekend with your families.

Kind regards,
Lisa Gillam

Head teacher

Dates for your diary

Term Ends : Friday 3rd April 2020
Easter holiday : Monday 6th April to Friday 17th April 2020
School opens : Monday 20th April 2020

Teacher Training Day: Friday 22nd May 2020
Half term: Monday 25th May to Friday 29th May 2020
School re-opens: Monday 1st June 2020

100% Attendance

Class RD– 92.9%
Class RMB-95.0%
Class 1G – 98.5%
Class 1D – 97.0%
Class 2K-91.3%
Class 2T-92.0%
Class 3M-96.8%
Class 3S –97.4%
Class 4P-97.9%
Class 4H – 94.0%
Class 5B-97.7%
Class 5T-95.5%
Class 6C– 94.3%
Class 6E– 94.8%

Our attendance this week was 95.4% which is below our target of 97%

This week's winners are:

School Times

School starts at 8.55am and finishes at 3.15pm for Rec - Y6.
The doors open at 8.45am.
Lunch is 12.15pm until 1.15pm.
Morning Nursery session is from 8.45am until 11.45am
and an afternoon session is from 12.30pm until 3.30pm.

Holidays during term time.

In accordance with DFE policy, Lodge Primary School does not authorise any holidays/leave taken during term time.

We are working very hard to improve our attendance levels and we encourage families to take holidays/leave during holiday periods to avoid any impact on your child's education.

We may refer unauthorised leave of absence to the Attendance and Prosecution Service, such referrals may lead to a fine being issued.

Thank you for your continued support.

The privacy notice is available to view on our school website at www.lodgeprimary.co.uk

British Science Week

We will be celebrating British Science Week on the theme of our 'diverse planet'. On Monday 9th March children are invited to come into school dressed as scientists or as jobs related to science e.g. doctor, vet, nurse, and electrician.

During this exciting week children will be taking part in a range of different experiments. Children will also have the chance to take part in a workshop ran by the 'Sublime Science Company'. We have already seen some fantastic science projects that children have created for their home learning projects.

Thank you for your on-going support.
Mr Harborne

Important information about the coronavirus.

I'm sure that you will have heard on the news about the coronavirus. All schools are receiving regular updates from the government about this virus, and currently the risk of catching the virus in the UK remains **very low**. However, if you took your child abroad during the holiday to Italy or one of the other affected areas and he/she develops typical coronavirus symptoms which can include: fever, cough/ cold like symptoms, shortness of breath within 14 days of their return. You should **IMMEDIATELY**:

- Keep them indoors and avoid contact with other people.
- Call NHS 111 to inform them that your child has recently travelled to an affected area and follow their guidance.

There is no action to be taken if your child is not displaying any symptoms.

In order to contain the spread of any virus, normal hygiene rules apply, including ensuring your child is encouraged to cover their nose and mouth with a disposable tissue when sneezing, coughing, wiping and blowing the nose, disposing of used tissues immediately in a bin, and washing hands regularly.

Please see the Public England posters displayed in our entrances and www.gov.uk if you would like further information.
