Dear Parents/Carers,

It has been another busy week in school. Children across the school have been busy completing assessments. All of the children have tried really hard and I have seen several children who have made incredible progress. Well done to all of you! We have also continued to have our Parents' Workshops and year groups have started to perform their 'Lodge Has Talent' performances in front of their families. Yesterday, we saw Year 4 who were teaching us all about what life was like in Roman times. We were treated to dance, singing, art and drama in what was a brilliant performance. The next two weeks will see performances by children from across the school. Please do come and support your child if you can.

Finally, appointments for Parents' Evenings were sent out this week. If you are unable to attend Parents' Evening, then please contact school so that we can arrange another mutually agreeable time for you to speak to your child's teacher.

Have a lovely weekend with your families.

Kind Regards,  
Lisa Gillam

### Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
- For more on keeping children safe online, visit these websites
