Dear Parents/Carers,

This week has been another busy week in school. We have started our Parents' Workshops for this term with the focus on grammar, spelling and punctuation. We thank all of our parents who have come into school so far to support their children during the workshops. If you are unable to attend your child's workshop then let us know and we will have a discussion with you about this very important curriculum area and what you can do to support your child at home.

Also this week, we had a wonderful assembly performance by 1M all about the wonderful world of reading. The children did really well and we were all very impressed with their confidence and choral speaking skills. Well done 1M! Year 1 also visited West Midlands Safari Park yesterday and they all had a fantastic time learning about the animals as part of their topic, 'Under the Sea'. The children's behaviour was exemplary. Well done to all of our children and our staff!

Next week, we have our rescheduled school disco from December - fingers crossed the weather is kind to us this time!! We also have Parents' Workshops and our year group performances, 'Lodge Has Talent' are beginning next week. This is a new initiative for us so please do come and support your child if you can, as the children are all very excited about sharing their topic learning with you.

Enjoy the weekend with your families.

Kind regards,

Lisa Gillam
