Dear Parents/Carers,

It has been a busy start to the term here at Lodge. This week, the children have had their 'wow' events to launch their summer term topics including Year 3 making Greek pottery, Year 2 making puppets and today Year 1 have enjoyed a royal banquet. The children all seemed to thoroughly enjoy themselves and have started their new topics with interest and enthusiasm. Well done to everyone involved!

We have lots of trips for the children coming up this term. Please allow your child to participate in these important educational experiences. These activities really help children to understand their learning and make excellent progress, academically and socially. Should you have any financial issues regarding payment for trips, please pop into school for an informal chat.

Finally, in response to demand from the children and in keeping with government guidelines, we are relaunching our 'Lunchtime Loot' initiative. This means that the children will be given tokens when they make healthy balanced choices throughout the day, but particularly at lunchtime. In keeping with this, we respectfully remind parents that packed lunches should include fruit and/or vegetable choices and should not include sweets or fizzy pop. A small packet of crisps or a small chocolate bar may be included as a part of a balanced packed lunch. As a reminder for playtime, children are not allowed to bring in sweets or pop. They can bring in fruit/vegetables, a healthy snack or buy some toast from the tuckshop.

Finally, have a lovely weekend with your families. Enjoy the weather.

Kind regards,
Lisa Gillam

Healthy Eating Options

We are once again reminding parents of Sandwell Schools Healthy Eating Policy and the healthy options children can make for lunch.

Drinks with added sugar are unacceptable, please opt for water, milk or no added sugar squash/juice.

Fruit can be used as a substitute for crisps and cake.

We do not allow chocolate, sweets and fizzy drinks in school please.

We would be grateful if you could please talk to your child(ren) about the healthy options they can make - thank you!

After School Clubs

New letters have been sent out for after school clubs.

All places have been allocated now - acceptance slips or text messages would have been sent today. Computing, Change4Life, Guitar and Ukulele will continue as before - please see posters on doors to KS1/KS2 entrances.

Any queries please see the office staff - thank you.

YEAR 6 SATs PARENTS MEETING

We would like to invite all parents to a meeting to discuss your child's upcoming SATs on **Tuesday 24th April 2018 at 3pm in the junior hall** - please come to the office on arrival.

Many thanks.

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
