Dear Parents,

It has been another busy week in school this week. This week, our youngest children in Nursery continue to visit the local vets in order to enhance their understanding of their topic, 'All Creatures Great and Small.' They are thoroughly enjoying this experience and the staff at the vets have made us very welcome. We have also had our annual Year 6 SATs meeting for parents. These very important assessments take place throughout the week beginning 14th May 2018. If you missed the meeting and would like the information, then please contact school and a member of the Year 6 team will speak with you.

Over the next few weeks, we will be holding Parents' Workshops across the school. The focus this term for EYFS/KS1 children will be on Phonics, and in KS2 the focus will be on learning timestables. Please do come along to your child's workshop if you are able.

Finally, on Friday 4th May we will be holding a Parents' coffee morning on E-Safety at 9.00am. Our local PCSO, Nikki Yates and our own staff will be talking to parents about what we can all do to help keep our children safe online. Please do come along and learn more about this important issue. Please do come along, we would love to see you there.

Have a lovely weekend with your families.

Kind regards,
Lisa Gillam

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
