Dear Parent/Carer

This week has been yet another busy one here at Lodge!

Year 2 began their SATs. They have put a huge amount of effort in and made their teachers very proud of them! Well done Year 2! The children will complete their tests during the final week of this half term. Year 6 SATs take place in school next week. This is a chance for the children in Year 6 to show off their academic abilities and we wish them well! Please remember to ensure that if your child is in Year 6, they need a good night's sleep every night and a good breakfast each morning. They must also, as always, come to school every day. We have our Year 6 breakfast club from 8.15am, Monday to Thursday next week too.

Year 4 held their parent workshop this week, based on times tables. This was well attended by Year 4 parents and the feedback was very positive. They also visited Cadbury World today as part of their topic work for this term – we hope they share their chocolate with you!

Nursery children experienced a wide range of animals this week as part of their 'All creatures great and small' topic. They observed snakes, an owl, hissing cockroaches, a hedgehog and even a honey bear! How exciting! Some of the staff even held one of the snakes!

Year 5 had a visitor from Aston University on Thursday who shared with them what studying at university would be like in the future. The children also learned about psychology by looking at what the different parts of the brain are and their functions.

With Ramadan fast approaching, can we remind Year 5 and Year 6 parents that if their child wishes to fast, we require a letter from their parent/carers, each day they are fasting please.

We will make arrangements at lunchtime for those children who are fasting. Year 6 parents are reminded to consider SATs next week, and the fact that children will need lots of energy during that week.

Have a wonderful weekend!  
Mrs Gillam

## Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
