Dear Parents/Carers,

The children have had a good week in school. Most year groups have completed their 'Wow' launches for their topics and have started to think about their enquiry questions - these are the questions which underpin the children's learning throughout the term. On the subject of the curriculum, all of our children from Year one upwards should by now have brought home their home reading books and reading diaries. All of the year groups across the school will shortly be asking parents to attend a very brief meeting after school to hear about what we do to teach reading and how you can support your child at home. We will send out these letters soon.

Also this week, many of our KS2 children have been on a residential trip to Frank Chapman. They are returning home today and I'm sure that they have all had a wonderful time. They will sleep extremely well tonight after their adventures!

Finally, I would like to say thank you to everyone who showed patience and understanding on Wednesday morning when there was the funeral of a member of our local community, and local roads were extremely busy. Your understanding was greatly appreciated by the family.

Have a lovely weekend with your families.

Best wishes,
Lisa Gillam
