Dear Parents/Carers,

It has been another busy week in school. This week, some of our children went out of school to take part in a boccia tournament. Boccia is a form of indoor bowls. The children did really well and came an impressive fourth out of 110 schools and colleges from across the Black Country! Well done children and the staff who supported them.

Continuing the theme of sport and healthy living, our school has signed up to take part in 'Fizz Free February' with Sandwell Council and Public Health England. This will be a challenge for everyone to give up drinking fizzy pop during the month of February. Research shows that if you drink a can of Coke every day for a month you'll eat the equivalent of a bag of sugar, and tooth decay is the leading cause for hospitalization among five to nine year olds in the UK. These are shocking statistics. More details on Fizz Free February to follow.

Have a lovely weekend with your families. Thank you for your ongoing support.

Best wishes,

Lisa Gillam
(Headteacher)

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
