Dear Parents/Carers,

It has been a lovely week in school. The children have been doing lots of fun activities linked to reading and World Book Day. Staff have organised Book Hunts using the school grounds and the Oak House. The children loved these activities and really enjoyed solving the clues. They made fantastic book detectives. We have rescheduled some of our hunts for next week due to the awful weather.

Today has been amazing. The children have been learning about books and reading all day today. We also dressed up as our favourite book characters. Everyone looked brilliant..

Next week is Science Week in school and we will be doing lots of fun scientific activities. Our week will be launched by a visiting science teacher from Phoenix Secondary School. I'm sure that everyone will have an amazing time. Please remember to do the home learning that has been sent home with your child ready for Monday.

Have a wonderful weekend with your families.

Kind regards,
Lisa Gillam

This week's winners are:

Red Nose Day - Non Uniform Day

This year Red Nose Day is being held on **Friday 15th March** and we are holding a Non Uniform Day - please send your child into school with 50p which will go to charity. This year there is no dress code so we are asking children just to wear their own clothes. Please remember to ensure they wear sensible clothes and footwear for the weather conditions. Thank you!

School Uniform

We have noticed a number of children not wearing full school uniform recently. Please ensure your child comes to school wearing grey/black school trousers/skirt, a white polo shirt and a red school jumper.

We also ask that children wear **sensible shoes, wearing trainers is not acceptable.**

Red Noses

Unfortunately we have now **SOLD OUT** of red noses. You are able to purchase these from any Sainsburys supermarket.

Thank you to all who bought a nose and gave to this worthwhile charity.

Home Learning Projects

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
- For more on keeping children safe online, visit these websites:
