Dear Parents/Carers,

We have had a lovely time in school this week, celebrating British Science Week. Our week was launched by Mrs Parsons, one of the science teachers from Phoenix Secondary School. She showed us some amazing experiments using household ingredients. It was very exciting for all of us. Yesterday, some lucky children went to Phoenix to conduct experiments in one of their laboratories, and also this week, many children have been taught by one of Phoenix's science teachers. All of the children have participated in a range of exciting scientific activities. It has been an exciting week for everyone. Thank you to all of you who have been into school over the last few weeks to support your child in their learning. We hope you have enjoyed the activities, as much as we have!

Finally, I respectfully remind parents with cars about parking considerably around the school when dropping off or picking up your children. The school is part of the local community, and unfortunately yesterday, Mrs Patel and I had to speak to an understandably very angry resident who was unable to get off her own drive due to inconsiderate parking by one of our parents. Parking is an issue around our school, as it is around many schools, but please do not block residents' drives.

Thank you for your ongoing support. Have a good weekend with your families.

Kind regards,
Lisa Gillam

This week's winners are:

Parent Coffee Morning

We are holding a Parent Coffee Morning on Friday 22nd March 2019 at 9am in the Junior Hall.

Public Health will be sharing advice and holding a discussion on healthy lunchboxes and keeping your family healthy.

All parents welcome, please join us.

School Uniform

We have noticed a number of children not wearing full school uniform recently. Please ensure your child comes to school wearing grey/black school trousers/skirt, a white polo shirt and a red school jumper.

We also ask that children wear sensible shoes, wearing trainers is not acceptable.

SEN Parent Meetings

We will not be holding SEN Parent Meetings this term.

In the meantime, if parents do require any support or would like to meet to discuss progress or next steps please do not hesitate to contact Mrs Munn to arrange a date/time to meet.

Many thanks.

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
