Dear Parents/Carers,

Yesterday, 5E performed a lovely class assembly with the theme of 'Harvest'. The children performed brilliantly and reminded us of how lucky we are to have enough to eat and clean water to drink. We are running our usual harvest collection of food for our local food bank to help support families who may be going through times of hardship. Please could you send in any tins of food for our collection which we will take to the food bank? Thank you in advance for your help.

Next week we are holding our autumn term Parents' Evenings. These will run from 3.30pm to 6.00pm. Please ensure that you return your form so that we can do our best to meet your needs regarding appointment times. If you are unable to come to the Parents' Evenings, do let us know and we will endeavour to make an appointment with your child's teacher at another mutually convenient time.

Enjoy the weekend with your families.

Best wishes,
Lisa Gillam

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
