LOGDE PRIMARY SCHOOL

News Letter

Friday 20th January 2017 Issue 55

Dear Parents/Carers,

We have had several visitors in our school this week to work with children and teach them all about their topics. Year 2 had a visit from the Fire Brigade as part of their, 'Fire and Ice' topic, Year 4 were visited by the Romans and Year 5 had a visit from a Viking as part of their curriculum to enhance their understanding of what life was really like during these historical periods. All of these visitors have praised the children for their excellent behaviour, super attitudes to learning and good questioning skills. Once again, our children have been a credit to you, their families and their school. Well done children!

Have a good weekend with your families.

Best wishes,

Lisa Gillam

Thank you!

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).

Important Attendance Information

As part of a revised school policy from 1st September 2013 we will make a referral to the Attendance Prosecution Service for pupils who take any unauthorised holiday leave. **Such a referral may lead to a Fixed Penalty Notice (fine) £60 being issued, and your child losing his/her place at our school.**

If appointments in school time cannot be avoided, please ensure an appointment card (or letter) is handed to the school office **prior to the appointment.** Wherever possible **attend school prior** to appointment and return to school **following** the appointment. You should not keep your child off school for the whole morning, afternoon or all day. If your child does not return to school on the advice of the GP, **always contact the school to inform them of the outcome.**

Home visits will be conducted by the Attendance Officer Dawn Thompson - if your child is not in school a referral will be made. Please try wherever possible to **avoid** medical appointments in school time.
