# News Letter

Friday 5th May 2017 Issue 67

Dear Parents,

Next week across the country, Year 6 children will be sitting their SATs in reading, grammar and mathematics. This is a very intense week for the children so it is really important that they get a good night's rest and come into school on time to start their tests with their friends. I'm sure that all of you will join me in wishing all of our Year 6 children the best of luck next week. They (and their staff) have worked incredibly hard to prepare for these tests. Good luck children!

Year 2 will soon be starting their key stage 1 assessments and the week beginning 12<sup>th</sup> June is Phonics Testing week across the country for key stage 1 children. We have some very busy weeks ahead. Please be assured that staff support the children as much as they are able, through these assessments. I cannot stress enough how important it is for the children to attend school at all times punctually, but most certainly during these assessment times. Children who do not sit the tests at the same time as their friends often do not get the results they are capable of.

Do pop in and have a chat with staff if you have any questions or concerns about any of the upcoming assessments.

Have a lovely weekend with your families.

Best wishes  
Lisa Gillam

### Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
- For more on keeping children safe online, visit these websites

### Important Attendance Information

As part of a revised school policy from 1st September 2013 we will make a referral to the Attendance Prosecution Service for pupils who take any unauthorised holiday leave. **Such a referral may lead to a Fixed Penalty Notice (fine) £60 being issued, and your child losing his/her place at our school.**

**Our school target for attendance is 97%. If appointments in school time cannot be avoided, please ensure an appointment card (or letter) is handed to the school office prior to the appointment. If your child is absent through sickness please provide medical proof in the way of medication labels or prescription slip. Wherever possible attend school prior to appointment and return to school following the appointment. You should not keep your child off school for the whole morning, afternoon or all day. If your child does not return to school on the advice of the GP, always contact the school to inform them of the outcome.**

**Home visits will be conducted by the Attendance Officer Dawn Thompson - if your child is not in school a referral will be made. Please try wherever possible to avoid medical appointments in school time.**

## Fidget spinners

For Health & Safety reasons we are asking children **NOT** to bring these into school.

**Thank you for your co-operation in this matter.**

## YEAR 6 TUITION

**There will be no tuition now for Year 6 - SATs start next week!**
