News Letter

Friday 16th June 2017 Issue 72

Dear Parents and Carers,

Year 3 are out on their trip to Birmingham Museum and Art Gallery today to learn all about the Ancient Greeks. I'm sure that they will have a fantastic time and learn lots about this topic. They were very excited when they were leaving school this morning. Reception have their trip next week and I'm sure they too will have an amazing time.

Parents' workshops started this week in school, and our focus this term is on spelling, punctuation and grammar. This area of the curriculum has changed beyond recognition in the last two years, so it will be really helpful for you and your child if you can attend. Thank you to all of the families who have attended so far.

Next week, we have planned 'Money Week', where across the school, the children will be organising their own mini enterprise projects, as well as doing lots of different maths activities all linked to money. This project focuses on the teaching of real life maths skills that will help the children to manage their money sensibly when they grow up. As you can see, school life is incredibly busy at the moment!

Have a lovely weekend with your families. Let's hope the sun continues to shine!

Best wishes,
Lisa Gillam

SPORTS DAY

One of the most exciting events of the Summer Term, Sports Day, is fast approaching! The children have been preparing during their PE lessons and we would like to invite you to come along and support the children with lots of enthusiasm and your loudest cheers!

- Sports Day for Key Stage 1 will be held on Monday 3rd July in our playground at 1.30pm

- Sports Day for Key Stage 2 will be held on Friday 30th June at the Oak House at 10.00am.

Please ensure that your child brings a sunhat for the day. If you wish your child to wear sunscreen then please ensure that this is applied before they come to school. Please ensure your child has extra to drink, however class water bottles will be available on that day.

We look forward to seeing you at our Sports Day to support the children as they participate in this fun and enjoyable event.

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).

Important Attendance Information

As part of a revised school policy from 1st September 2013 we will make a referral to the Attendance Prosecution Service for pupils who take any unauthorised holiday leave. **Such a referral may lead to a Fixed Penalty Notice (fine) £60 being issued, and your child losing his/her place at our school.**

Our school target for attendance is 97%. If appointments in school time cannot be avoided, please ensure an appointment card (or letter) is handed to the school office **prior to the appointment. If your child is absent through sickness please provide medical proof in the way of medication labels or prescription slip.** Wherever possible **attend school prior to appointment and return to school following the appointment.** You should not keep your child off school for the whole morning, afternoon or all day. If your child does not return to school on the advice of the GP, **always contact the school to inform them of the outcome.**

Home visits will be conducted by the Attendance Officer Dawn Thompson - if your child is not in school a referral will be made. Please try wherever possible to avoid medical appointments in school time.
