Dear Parents/Carers,

The children have had a lovely week in school as we have been celebrating the work of a range of different authors during our whole school, 'Author Study Week'. Please do ask your children about what they have been reading this week in their lessons. On the subject of reading, all of our children from year one upwards should by now have brought home their home reading books and reading diaries. Starting next week, all of the year groups across the school will be asking parents to attend very short meetings after school to hear about what we do to teach reading and how you can support your child at home.

Also this week, many of our KS2 children have been on a residential trip to Frank Chapman. They are returning home today and I'm sure that they have all had a wonderful time. They will sleep extremely well tonight!

Have a lovely weekend with your families.

Best wishes,

Lisa Gillam

Jeans For Genes Day

On Friday 22nd September we will be having a Jeans for Genes Day to raise money for children in the UK who are affected by life-altering genetic disorders.

Please send your child in with a 50p contribution. Thank you!

Automated School Gate

The school gate located at the Lodge Road and the entrance of Oak Lane are automated gates and do not need to be forced open. Once you have pressed the buzzer please stand back and wait. We please ask that you are patient while the gates are being operated as forcing them will cause the gates to stop and will only delay access to the school. Thank you.

If you need to contact school please call 0121 553 2389. There is an out of hours answering service for you to leave a message. Please speak clearly when leaving a message with the name and class of the child, thank you.

- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
