Dear Parents/Carers,

This week has been another very busy week in school. 'Talk for Writing' has started this week and the children have been busy learning their actions for their new texts. The children across the school really seem to enjoy this subject, and our progress in writing was good last year. Our younger children have already started their phonics and have settled well into their groups. I'm sure that they will all make excellent progress. Also our staff have been working very hard putting up beautiful displays around the school linked to our Author Study week. Please do ask your children to share with you what they've been learning in school.

Today has been 'Jeans for Genes' day in school. Many staff and children have joined in and worn denim. We will let you know next week how much has been raised for this worthwhile cause.

Have a lovely weekend with your families.

Best wishes,
Lisa Gillam

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
