Dear Parents/Carers,

This week three of our year groups have been out on trips. Year 1 had a fantastic day on Tuesday at Cannock Chase learning all about the woods for their topic. Yesterday Year 3 went to Edmond Hall to learn about how Stone Age people lived, and today Year 2 are going to Twycross Zoo to help them learn more for their, 'Down in the Jungle' topic. I'm sure that they will also learn lots of new information about animals and their habitats. I hope that they don't get too wet! Thank you to all parents who support us when we offer children the chance to take part in enrichment activities. I appreciate how expensive they can be for families and we are grateful for your support, particularly in present circumstances when all of our budgets are under pressure. These activities give children the chance to have different experiences with their friends and teachers and are so worthwhile not just educationally but socially as well.

Finally, this morning we held a coffee morning in aid of MacMillan Cancer Support. We combined this with some input on how to keep your child safe whilst using the Internet at home. We had a super turnout of parents. Thank you to everyone who showed their support. Do remember that if you have any concerns about your child's safety online, then do come in and talk to us and we will do our best to help you.

Enjoy the weekend with your families.

Best wishes,  
Lisa Gillam

Apologies for the confusion.

We will no longer be accepting 'round pound coins' from **Friday 13th October**. Thank you!

## Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
