Dear Parents/Carers,

Today Year 5 have been out on their trip to the Black Country Museum to learn all about how people lived in Victorian times. I'm sure that they will have had an amazing day and have made us all very proud. Next week, 4P will be performing their class assembly for Harvest. If you wish to donate any tins or packet food then we would be really grateful. All food donated will be given to our local food banks to donate to families in our community in need of support. Please hand any donations in to your child's teacher. Thank you in advance for your support.

Finally, I respectfully remind all parents that the normal school day finishes at 3.15pm, all clubs finish at 4.20pm and tuition finishes at 4.30pm. Unfortunately, we are finding ourselves in a position where several children are often late being picked up. As a school, we will obviously work with you, if you let us know that you are running late to pick up your children due to unforeseen circumstances; but, if you are late picking up your child and we cannot contact you than the local authority policy is for schools to contact Children's Services to inform them. Please look at the LA Late Collection policy which has been approved by our governing body and is available on our website for further information.

Enjoy the weekend with your families.

Best wishes,
Lisa Gillam

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
