Dear Parents/Carers,

This week has been E-safety week in school, and all of the children have been learning about how we keep safe using the vast range of technology that we have at our fingertips in the twenty first century. Yesterday, Class 5G performed a fantastic assembly for us about how we can keep safe using technology. The acting and the special effects were incredible. Thank you 5G and your staff for your wonderful and very educational assembly. All of the classes have learnt all about E-safety this week as part of Internet Safety Day on Tuesday 6th February, so do please ask your child to tell you what they have learnt about this very important area.

Also, this week some of our KS1 children took part in an inter-school multi-skills tournament. They all tried really hard and as ever were a credit to their school and their families, and year 4 had a visit from the 'Romans' as part of their topic this term.

Finally, just to remind you, school breaks up for the half term holiday on **Friday 16th February at 3.15pm**. We reopen on **Monday 26th February at 8.45am**.

Best wishes,

Lisa Gillam (Headteacher)

Please speak clearly leaving your child's name and class and the reason for their absence.
Thank you

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
