Dear Parents/Carers,

This week we have had curriculum week in school. It has been lovely to see the children so focused on their learning and improving their understanding of their spring term topic. We have also seen some fantastic work in financial education. As you may know here at Lodge, we promote the teaching and learning of financial education as a good understanding about how to manage our money is a key life skill. Please do ask your children about their learning this week.

Today, your child will have brought home their creative learning projects to complete at home over the week off school. It is always lovely to see the children with their completed projects. The children are always so excited to share their work with their teachers and their friends. Thank you in advance for supporting your children with their home learning this holiday.

Finally, we break up for the half term holiday today. **School will re-open on Monday 26th February at 8.55am.** Doors open at 8.45am. Have a lovely week with your families.

Best wishes,
Lisa Gillam

Please speak clearly leaving your child's name and class and the reason for their absence.
Thank you

Internet safety:

- Place your children's computers where you can see them, where possible in communal rooms.
- Always know what they're doing and who they're talking to.
- Explain to them that not everyone online tells the truth and they should never meet strangers without a known adult present.
- Teach your children the Click Code: Zip it (keep personal information private), Block it (block disturbing messages), Flag it (report anything worrying to you).
