Authors love receiving mail from their readers. Write a letter to your favourite author. Visit their website first so that you can learn a little more about the chosen author. Why not send the letter and wait for a reply?	Read a chapter from your home reading book or a book that you have borrowed from the library.	Now design an alternative book cover for the chapter you have read this week.	Select a celebration from your culture and generate a multiple choice quiz about this event.	Research a person you find inspirational. Imagine you have interviewed that person. Now write an article 'celebrating' why that person is inspiring.	Birthdays should not be celebrated. Prepare a short speech for this statement. Decide whether you are for or against this statement and remember to justify your reasons. Deliver this speech to someone you live with and ask for feedback.

You have £1,000 to spend and 25 guests will be attending. What will the money be spent on? You must consider the location of the event, how you will decorate the venue, food/drinks and entertainment. Detail the timings of the event and any timings for preparation.

Aim to do one or two activities each day. Remember you can email any work to our year group email address: year6@lodge.sandwell.sch.uk and staff will look at it and then send you feedback 😊
