

English

In English this term we will be learning about stories in the style of Myths and Legends. At the end of the unit, children will write their own myth through the methods of 'Talk for Write'.

Maths

We will continue to develop our skills such as calculation, understanding number and statistics to solve Olympic based problems. During Big Maths children will have the opportunity to improve their mental maths.

History

We will focus on the ancient Olympics. Children will explore why the Olympics first started. Pupils will have the opportunity to explore the Greeks and their gods and goddesses.

Science

This term our topic in Science is Animals including Humans. During the lessons we will participate in a number of practical experiments directed from the children's interests in this area.

PSHE

Our topic is Relationships. During this topic we will learn how to recognise when we are cared for as well as why people may leave us.

Year 3

Topic: Ancient Greece

R.E

Our topic is Islam. During this term children will learn about the Prophet Muhammed. They will reflect upon stories and values.

ART and DT

In Art children will be making their own greek pots as well as looking at Greek designs. In DT children will be making their very own moving mythical monster.

Home Learning Projects

For their home learning projects, children have the opportunity to make 1 of the following:

- Greek tragedy mask
- Greek temple for the Gods
- Mythical monster

Geography

This term we will be using globes, maps and atlases to identify particular places or features of countries that compete in the Olympics. Children will be exploring how the Olympics has transformed the London landscape.
