

Lodge Primary Pupil Premium Report to Parents 2016- 2017

Overview of Lodge Primary School

Pupil Premium is funding given to schools to support pupils who claim free school meals and those who are looked after by the local authority. The funding is meant to help raise the achievement of these pupils and to 'close the gap' between different groups of pupils. It is for schools to decide how the Pupil Premium allocated to schools is spent, since the government believes that they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. All members of staff and our governing body at Lodge Primary are committed to giving the best possible education to all our pupils, and are dedicated towards closing the gap between children in receipt of the pupil premium grant and their peers.

Provision will be made through:

- Facilitating pupils' access to the curriculum, including curriculum enrichment activities.
- Offering a range of alternative support and interventions.

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll	385
Total number of pupils eligible for PPG	157
Amount of PPG received per pupil	£1300
Total amount of PPG received	£204,600

Summary and Impact of Pupil Premium Grant Spending 2016-17

Activities/Resources	What does this do?	Targeted Pupils	Impact	Cost
50% of the salary of a non class based learning mentor.	This supported children through the support of a KS1 nurture group and provided one to one/ small group support throughout the school.	Children in need of emotional/social support in KS 1 and KS2.	The impact of this was good. Staff reported that targeted children had improved confidence, were more able to manage their emotions and had increased self-esteem in the classroom.	£12,300
Subsidy of salary of support staff	All classes had a full time teaching assistant to support the children in their classes. Targeted children were supported in small groups in the	Children throughout the school.	Our data shows that children in the last academic year made good progress in reading, writing and maths. The gap in achievement between pupil premium and other pupils	30% of support staff salaries: £141000 The attainment of disadvantaged children continues to be a priority for our

	afternoon.		throughout school continues to narrow.	school, and therefore we will continue to allocate funding for this
0.6 teacher deployed to work with Y6 children.	Children received focused support in smaller groups. Y6 focus is English and maths.	Children in Y6.	The targeted group made good progress in English and maths. Our 2017 KS2 data shows that the attainment gap between PPG pupils and other pupils in school narrowed in reading and maths.	£26, 800
After school tuition for Y6 in English and maths.	Children received extra targeted support after school. These sessions are taught by our teachers.	Children in Y6	The school focused on reading and maths in order to raise achievement in this area, as well as continuing to improve our achievement in maths. Our data shows that more PPG pupils attained ARE in reading and maths when compared to 2016. This evidences the positive impact of this strategy.	£3000
Three day residential visit	Pupil premium funding used to subsidise residential trip to Edgmond Hall, Sandwell Residential Centre in Shropshire.	Years 4 and 5.	Children had access to a residential experience. We believe this improved self- esteem and independence, as well as giving children opportunities to participate in experiences they may not otherwise have.	£1300
Teacher three days per week in Key Stage 1.	Children receive focused support in smaller groups from an experienced teacher to support phonics teaching and children who need targeting in order to accelerate progress.	Year 1 children Targeted Year 2 children.	Targeted children made good progress. The school retained its focus on the attainment of disadvantaged children in Key Stage 1. Our KS1 data shows that PPG pupils in KS1 attained better than PPG pupils in 2016.	£22,500
Purchase milk	Pupil Premium funding will be used to purchase milk for all PPG children throughout the school who want it.	Children throughout the school.	Children's health will benefit from drinking nutritionally every day.	

Total expenditure: £ 225,066
