

## Lodge Primary Pupil Premium Report to Parents 2017- 2018

### Overview of Lodge Primary School

Pupil Premium is funding given to schools to support pupils who claim free school meals and those who are looked after by the local authority. The funding is meant to help raise the achievement of these pupils and to 'close the gap' between different groups of pupils. It is for schools to decide how the Pupil Premium allocated to schools is spent, since the government believes that they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. All members of staff and our governing body at Lodge Primary are committed to giving the best possible education to all our pupils, and are dedicated towards closing the gap between children in receipt of the pupil premium grant and their peers.

Provision will be made through:

- Facilitating pupils' access to the curriculum, including curriculum enrichment activities.
- Offering a range of alternative support and interventions.

<b>Number of pupils and pupil premium grant (PPG) received</b>	
Total number of pupils on roll	437
Total number of pupils eligible for PPG	95 (17-18 academic yr)
Amount of PPG received per pupil	£1300
<b>Total amount of PPG received</b>	£163,680 (plus £7505 carry forward)
<b>Total PPG</b>	£171,185

### Summary of Pupil Premium Grant Spending 2016-17

Activities/Resources	What does this do?	Targeted Pupils	Impact	Cost
20% of the salary of a non class based learning mentor.	We will continue to support children through the support of a primary nurture group and provide one to one or small group support.	Children in need of emotional/social support in KS 1 and KS2.	The impact of this was good in previous years and has therefore been continued. Staff reported that children had improved confidence and self-esteem in the classroom.	£5092
Subsidy of salary of support staff	All classes have a full time teaching assistant to support the children in their classes. Targeted	Children throughout the school.	Our data shows that children in the last academic year made accelerated progress and the gap between pupil	25% of support staff salaries: £93,847

	children are supported in small groups in the afternoon.		premium and non-pupil premium children throughout school continues to narrow. The attainment of disadvantaged children continues to be a priority for our school, and therefore we will continue to allocate funding for this.	
Non class based teachers deployed to work with Y6 children. (50%)	Children will receive focused support in smaller groups. Y6 focus is English and maths.	Children in Y6.	Targeted children made good progress in the last academic year. The targeted group will make accelerated progress in English and maths.	£42,291
Support staff (HLTA) to be deployed to support Y5 children. (30%)	Focus children will receive small group support, preteaching and one to one when appropriate.	This will be reviewed regularly after our school has analysed the data for focus children and year groups across school.	The school needs to <b>continue</b> to accelerate the achievement of PPG children in Year 5 for writing and maths. Funding will be allocated to this end next year.	£10,715
After school tuition Y6 in English and maths.	Children will receive extra targeted support after school. These sessions will be taught by our teachers.	Children in Y6/Y5.	The school will continue to focus on reading in order to raise achievement in this area, as well as continuing to improve our achievement in maths.	£3000
