

Week 2 – My local area

Year group: 2

Aim to do one or two activities each day

Reading			Writing		Oracy
<p>Register for free to read a range of eBooks at your child's level. https://home.oxfordowl.co.uk/books/free-ebooks/ There are books to match their home reading books including many others. <i>We will be using these books to support home learning for the following term.</i></p>	<p>Read a non-fiction book of your choice from the Oxford Owl website and discuss the following questions: <i>How do you know this is a non-fiction text?</i> <i>Where is the title, sub-heading, contents page?</i> <i>What is your favourite part and why?</i> <i>What have you learnt from the information?</i> <i>Would you recommend this book to someone else?</i></p>	<p>Additional phonics support is available on the following websites: https://new.phonicsplay.co.uk/ username: march20 password: home https://home.oxfordowl.co.uk/reading/learn-to-read-phonics/</p>	<p>Create a fact file about your local area. What places are there to visit? What was your local area like in the past? Using the internet, find out about the history of your local area. What interesting facts can you find?</p>	<p>Weekly spellings: Words ending in -le. Most words with two syllables that end in the l sound are spelt with le.</p> <ul style="list-style-type: none"> • rattle • table • simple • battle • little • jungle • bubble • tickle 	<p>Talk to family members in your house and explore your garden or local green space. Discuss your observations.</p> <ul style="list-style-type: none"> • What animals can you see in your garden or from out of your window? • Which creatures do you notice? • How are they moving? • What are they like? • How would you improve the area?
Maths			Well-being		Weekly theme – my local area
<p>https://whiterosemaths.com/homelearning/year-2/ Find Year 2 'Summer 1 – Week 2'. There are some activities on ordering/ comparing lengths and problem solving.</p>	<p>Can you measure some items from around your house using a cm ruler? If you do not have a ruler you could try this game: https://www.topmarks.co.uk/maths-games/measuring-in-cm Can you order these items from shortest to longest?</p>	<p>To develop your problem solving skills, see if you can create a word problem for someone in your family to answer. Have a look at some of the problems here for an extra challenge or an example: https://whiterosemaths.com/resources/classroom-resources/problems/</p>	<p>Many people help us in our local area. Can you write a message of kindness for one of those people? (E.g., bin collector/ postman or postwoman).</p>	<p>Practice mindfulness for five minutes. Search for mindfulness and relaxing music on YouTube. You could try the link below: https://www.youtube.com/watch?v=WUxEeAXywCY</p>	<p>Find a map and see if you can find your area or street. What could you find near house? Do you know the name of your street? Can you create a street sign with your street name? Can you write your address? You may want to use Google Maps to help you with this task. Create a poster to encourage people in your area to keep it tidy.</p>

Week 2 – My local area
