

Week 1 - family

Year group: 3

Reading			Writing		Oracy
Share a story together. Read a chapter book and discuss a chapter each day.	Explore new vocabulary you find when reading. Can you find any synonyms or antonyms for your new words?	Do an AR quiz. Note down your score in your reading diary.	Write a set of family rules. They could begin <i>with 'We always...'</i> rather than <i>'We do not ...'</i>	Practice the Y3 spelling words – they are in your reading diaries (on the middle pages). Write simple sentences using these words.	Interview a family member. Use effective oracy skills, such as; eye contact, good listening skills and engage in the speaker.
Maths			Well-being		Weekly theme - family
https://whiterosemaths.com/homelearning/ Find your year group's lesson here.	Play on Hit the Button . Focus on number bonds, halves, doubles and times tables.	Practise telling the time. Create a diary of the activities that you carry out each day. Record the exact time when you do these tasks.	Get talking! Perhaps you could FaceTime a member of your family that you have not seen this week.	Have a family workout. Fancy a dance? Maybe try some yoga!	Who is in your immediate family? What other relatives do you have? Why not spend time looking through old photos and talking about family stories.

Aim to do one or two activities each day.
