

Week 1 - family

Year group: 4

Reading		Writing		Oracy	
Look at some books/magazines to find <i>words you don't know</i> the meaning of. See if you can find out what they mean.	Share stories with your family. Do you have a brother or sister you could read to?	Listen to a story by David Walliams https://www.worldofdavidwalliams.com/elevenses-catch-up/	Write a story where your family members are the characters.	Write a letter to a family member who <i>you haven't seen for</i> a while.	Who is in my family and extended family? Talk about how we are all related. Look through family photos.
Maths		Well-being		Weekly theme - family	
https://whiterosemaths.com/homelearning/ <i>Find your year group's lesson here.</i>	Practise telling the time. Find out the time your family eats/goes to bed/wakes up etc. You could create your own family timetable.	Ask a grown up for some old receipts. Can you find the totals of some of the items on the receipt? Could you find/draw the correct coins to pay?	Can you set up an obstacle course in your garden or lounge for you and your family to complete? Find something to go over/ under/through.	Try a cosmic kids yoga session https://www.youtube.com/watch?v=LZAaZDVqCiA	Create a piece of artwork ' <i>My family</i> ' This could be a painting, sketch, collage. You could use a photograph to help.

Aim to do one or two activities each day.
