

Week 1 - family

Year group: 6

| Reading | | | Writing | | Oracy |
|--|--|---|---|--|--|
| Read a chapter of your book and then summarise the main events. | Read something in your house that <i>isn't a book!</i> | Do an AR quiz. Note down your score in your reading diary. | Write a letter to someone in your family who may not live in your house. | Practice the Y5/Y6 spelling words – they are in your reading diaries (on the middle pages). | <i>Play 'first to 20' with your family.</i> |
| Maths | | | Well-being | | Weekly theme - family |
| https://whiterosemaths.com/homelearning/ Find your year group's lesson here. | Create a 'show what you know' poster about addition. | Spend some time on mathletics. You could play against someone from class. | Get some fresh air – open a window or take a walk with your family. Remember to maintain social distancing. | Take an indoor sensory walk. Be mindful of what you can see, hear, smell and touch in each room of your house. | Create your own family tree – you may need to ask older relatives for information about your ancestors! We <i>can't wait to learn</i> about your families! |

Aim to do one or two activities each day.
