

Literacy

In Literacy this term we will be focussing on a range of fiction and non-fiction texts based around our topic 'Turrets and Tiaras.' At the end of each unit children will create their own versions of the story or non-fiction text.

Numeracy

We will continue to develop and refine our skills in areas such as addition, subtraction, multiplication and division as well as focussing on elements of shape, space and measure such as capacity and mass. During Big Maths children will have the opportunity to improve their mental maths.

History/Art

We will focus on the history of the royal family and lots of activities surrounding the Queen's 90th birthday! In art children will have the opportunity to explore sculptures, creating their own based on ideas and inspiration from other artists.

Year 1

Topic: Turrets and Tiaras!

Science

This term our topic in Science is Plants. During this module we will participate in a number of practical experiments and activities.

P.E

Children will be undergoing a games unit focussing on skills such as throwing, catching and passing.

Music

Children will learn to sing and respond to music, acting out the story of 'The Queen's hat' using musical instruments.

PSHE

Our topic is Relationships. During this topic we will explore feelings within the context of our important relationships including family and friends.

Geography

This term we will be concentrating on aspects of weather and the ways in which it can be measured. In addition we will focus on clothing that is most appropriate for the various weather types.
