

### Literacy

In Literacy this term we will be focussing on a range of fiction and non-fiction texts based around our topic 'Under the sea.' At the end of each unit children will create their own versions of the story or non-fiction text.

### Numeracy

We will continue to develop our skills such as addition subtraction and number as well as focussing on elements of shape, space and measure such as the names of 2D shapes and their relative properties. During Big Maths children will have the opportunity to improve their mental maths.

### History/Art

We will focus on the history of pirates including the infamous 'Black Beard!' In art children will have the opportunity to explore colour and creating texture through the medium of paint.

Year 1

Topic: Under the sea

### Science

This term our topic in Science is Animals and other humans. During this module we will participate in a number of practical experiments and activities, kick starting our unit with animals that live under the sea!

### P.E

Children will be undergoing a gymnastics unit focussing on skills such as rolling, balancing and jumping.

### Music

Children will learn to sing and respond to music, acting out the story of 'The Rainbow Fish' using musical instruments.

### PSHE

Our topic is *Going for Goals*. During this topic we will learn how to recognise the ways in which we learn and how we can achieve our goals in life.

### Geography

We will be looking at the different oceans around the world, locating them on a map before moving on to explore the sea life that is found in these areas.
