

Literacy

In Literacy this term we will be learning about stories set in the woods using our whole school 'Talk for Writing' approach. During the term children will make changes to the original text before compiling those of their own.

Numeracy

We will continue to develop our skills in areas such as addition and number, building on their foundations from the Early Years. During Big Maths children will have the opportunity to improve their mental maths.

History/Art

We will focus on the artists Monet and Andy Goldsworthy. Children will be using water colours and natural collages to create woodland scenery. In history we will take a look at the 'Woodland Trust' including the wildlife that surrounds it.

Year 1

Topic: Into the Woods

Science

This term our topic in Science is Everyday Materials. During this module we will participate in a number of practical experiments and activities.

P.E

Children will learn to play ball games cooperatively in a team.

Music

Children will learn to clap to rhythm and beat.

PSHE

Our topic is Relationships. During this topic we will learn how to recognise when we are cared for as well as why people may leave us.

Geography

We will be looking at forests and woodlands. We are going to be developing our mapping skills. We are going to create maps of forests in books. We are going on an exciting trip to wonderland.
