

English

During this term we will be learning the story of the Jungle book and the story of Tarzan. We will be learning actions so that we can retell these stories of by heart. We will also be creating our own versions of these stories. We will look at non-fiction texts about jungle animals.

Maths

This term we are developing our understanding of number and the four operations, relating this to money. We will also learn about position and direction as well as using and interpreting data in Venn diagrams, bar charts and pictograms.

Science

This half term our focus is living things and their habitats. During this topic we will be looking at things that are alive and life processes. We will also be looking at where living things live.

Year 2 Down in the Jungle

History

This term our topic is Down in the Jungle so we will be learning about a real life jungle explorer, Bear Grylls, you may be familiar with him from his TV programmes.

Music

During this term the children will learn how to Follow a rhythm in a song, sing a song and identify the rhythm and beats and compose and perform own song using a range of instruments.

Geography

As part of our topic Down in the Jungle the children will be learning about the features of the rainforests as well as the animals that live there.

P.S.H.E

We will be exploring the characters of Rory and Jasmine. The topics we shall cover are, 'Feeling Special' and 'Things I can do.' We will be looking at emotional health and well being

Art

This term we will be focussing upon developing our drawing skills. The children will use a range of media to replicate and draw different rainforest animals.

R.E

This term we will be learning about different holy books. We will be looking at the beliefs and practises of a range of different faiths.

Design and Technology

The children will experience a design and make project this term. They will then evaluate their product together.
