

Week 2 – Celebrations

Year 2 - Aim to do one or two activities each day. Remember you can email any work to our year group email address: year2@lodge.sandwell.sch.uk and staff will look at it and then send you feedback 😊

Reading			Writing		Oracy
<p>Register for free to read a range of eBooks at your child's level. https://home.oxfordowl.co.uk/books/free-ebooks/</p> <p>There are books to match their home reading books including many others.</p> <p><i>We will be using these books to support home learning for the following term.</i></p>	<p>Read this e-book on Ramadan: https://www.twinkl.co.uk/resource/rameenas-ramadan-ebook-t-or-1353</p> <p>What did you find out?</p> <p>There are lots of other e-books on celebrations.</p> <p>Can you read about a different religion of your choice and find out what they celebrate?</p>	<p>Additional phonics support is available on the following websites:</p> <p>https://new.phonicsplay.co.uk/ username: march20 password: home</p> <p>https://home.oxfordowl.co.uk/reading/learn-to-read-phonics/</p>	<p>We often eat special foods when we celebrate an event. Can you write a set of instructions to bake a birthday cake? Use all the measuring skills you have learnt in maths.</p> <p>This lesson will support you with writing instructions. https://www.thenationalacademy/year-2/english/to-identify-the-key-features-of-instructions-year-2-wk1-3 -</p>	<p>Words ending in -tion</p> <p>The sh sound can be spelt ti in the middle of words. It can be followed by on to make the ending -tion, which sounds like shun.</p> <ol style="list-style-type: none"> station lotion caption option celebration motion section potion fiction notion 	<p>Follow this link and learn about celebrations: https://www.bbc.co.uk/cbeebies/shows/l ets-celebrate</p> <p>Discuss the following:</p> <p>How many celebrations can they find? How are they similar or different? What have they celebrated this year with their friends and family? Can they remember celebrating their birthday? How did they celebrate their birthday? Could they draw a picture of their special celebration? Can they interview a family member about their favourite celebration? What did they do?</p>
Maths			Well-being		Weekly theme – Celebrations
<p>The National Oak Academy has a number of interactive lessons. This week will focus on measure, capacity and volume. https://www.thenationalacademy/online-classroom/year-2</p> <p>Look at BBC Bitesize for a recap on fractions which could be useful to see what you remember. Look at: https://www.bbc.co.uk/bitesize/subjects/zjxhfg8</p>	<p>Using some containers or bowls from home, try to guess how many cups or millilitres of water would be needed to fill them. Measure this accurately using cups or a measuring jug to see if you were correct. Could you do some baking with a family member? Think carefully about measuring out the ingredients. We would love for you to send us some pictures of your cooking creations!</p>	<p>Play the game 'capacity countdown' to work on measuring in millilitres and litres: http://www.ictgames.com/mobilePage/capacity/index.html</p> <p>Try the 'capacity' game and select which container would be the heaviest or lightest. https://www.splashlearn.com/measurement-games</p>	<p>Create a family kindness jar to help keep positive and thoughtful. Think back to the kindness tree we made in class. https://kidsactivitiesblog.com/102518/family-kindness-jar/</p>	<p>It is important to stay optimistic and celebrate the happy moments and things that mean a lot to us. As you learnt in PE, dancing can make you feel good! Listen to the song 'celebrate' and see if you can come up with some of your own actions to the music. https://www.youtube.com/watch?v=UWLlgjB9gGw</p>	<p>Make a range of cards for different celebrations. You could make a card for a family member's birthday. How creative can you be with the card? Try to capture the theme of the celebration with pictures. Think about how you can make your card attractive. Write a poem for inside the card.</p> 

Week 2 – Celebrations
