

English

We will be reading and writing our own versions an older story this term called 'Street Child' about a British family in the Victorian era. We will also be writing recounts (non-fiction). We will be reading and writing our own classic and narrative poetry, linked to the Victorians.

Maths

Every term in Maths we work on number skills, written and mental calculation methods and skills, fractions and decimals, statistics, measures and data handling. We are still working on Big Maths every day to improve our counting, number facts and calculation skills. We will be focussing a lot on explaining our calculations this term.

Science We will be studying Earth and Space this term. This unit looks at the solar system and our planet's position within it.

Music

We will be listening to music and composing and singing.

P.S.H.E

This term we will thinking about 'New beginnings' and setting our goals for the upcoming year.

R.E - What can we learn from the Bible?

Using 4 stories from the Bible to explore the themes of identity, mystery, family and giving thanks.

Year: 5
Topic: Victorious
Victorians

Creative Home Learning

- Create a Victorian playground toy.
- Make your own school punishments that teachers could use in the Victorian Times.

Geography

We will be studying maps and plans of Britain and of Victorian buildings. We will be finding out about the life of Queen Victoria and how life in Victorian towns and cities was different to now.

History

This term we will look at the Victorian period and explore the changes that influence our day to day modern lives.
