Summer School 2020

Provision

Our summer school programme is aimed at empowering students with the skills, confidence and knowledge to help the smooth transition into year 7. It promotes a positive mind-set and has workshops on healthy active lifestyles, money budgeting skills, creating positive habits and overcoming difficulties. Pupils will learn how to break down barriers and build self-esteem, communication skills, develop organisational skills and learn where to get help at secondary school, with tips to help them settle in smoothly.
