Dear Parents and Carers,

It has been another busy week in school. The teachers have all been busy writing the children's annual reports and we have been very busy reading them. It is lovely to read about the progress of the children and how hard they have been working. We will be sending out the reports later this term so do please look out for them.

This week, our Year 1 children and some of our Year 2 children took the Phonics Assessment Task. The children all tried really hard to read the words. We are very proud of them all. Well done!

Eid Mubarak to all our families who will be celebrating this weekend. If Eid is tomorrow (Friday 15<sup>th</sup> June), please make sure that your child comes back to school on Monday as only one day absence will be authorised.

Have a good weekend with your families.

Best wishes,  
Lisa Gillam

## IMPORTANT ATTENDANCE INFORMATION

Our school target for attendance is 97%. If appointments in school time cannot be avoided, please ensure an appointment card (or letter) is handed to the school office **prior to the appointment**. If your child is absent through sickness please provide medical proof in the way of medication labels or prescription slip. Wherever possible attend school prior to appointment and return to school following the appointment. You should not keep your child off school for the whole morning, afternoon or all day.

If your child does not return to school on the advice of the GP, **always contact the school to inform them of the outcome**. Thank you for your support.

Home visits will be conducted by the Attendance Officer - if your child is not in school a referral will be made. Please try wherever possible to avoid medical appointments in school time.
