Dear Parents and Carers,

As we head towards the final days of the summer term, school life becomes even busier. Our reception children visited Frank Chapman Centre on Wednesday and had a wonderful time. They were all very well behaved. In addition, EYFS and KS1 children had their annual Sports Days this week, and we have also had our reading picnics across the school to celebrate the end of our Year of Reading.

On Wednesday, you will have received your child's annual report for the school year. I hope that you are pleased with the progress that your child has made this year.

This is the time of year when sadly, we often have to say some goodbyes, and this year is no different. Mrs Goodsir Stretton will be leaving our school next week. Mrs Goodsir has been at Lodge for eight years and has really supported the school in our drive to improve standards. We also say good bye to Mrs Patel in our school office. Mrs Patel has secured a promotion at West Bromwich Collegiate Academy, so she will still be a familiar face for some of our families. Mrs Kaur (HLTA) who has worked amazingly hard for us over the last year will also be leaving in July. I would like to say a big thank you to all of them for all of their hard work. I'm sure that you will join with me to wish all of them, the very best of luck in their future endeavours.

Finally, a reminder that there are **no after school clubs next week**, so all children should be collected from school at 3.15pm unless you have signed a home alone agreement with ourselves for this academic year.

Thank you for your on-going support. It has been lovely to see so many of you in school this week supporting your children. Enjoy your weekend with your families.

Best wishes,
Lisa Gillam

Grow a Pound

Next week children across the school have been given money and set a challenge to make as much of a profit from £1.00 as possible.

Year 5 will be selling their products on **Monday 15th July** in the afternoon
Year 1/2 will be selling their products on **Tuesday 16th July** in the afternoon
Year 3/4 will be selling their products on **Wednesday 17th July** in the afternoon

Children from other years are allowed to bring in money on these days to buy things from the other classes if they want to

This is a fun way for children to learn about the importance of working in small groups and making decisions.

I hope that as always you will support your child in this.
