

# Holiday activities

Choose an activity to do, as a family, each day of the holidays.

Spot wildlife from your window or in your garden.	Create an indoor treasure hunt. You could even make up clues for each other.	Get creative and make something from your clean recycling.	Make an indoor den and tell each other a story inside it.	With your adults, take a digital tour of a museum – you could even visit the Louvre in Paris via Google!	Have an indoor picnic!	Write a letter to someone in your family or a friend from school.
Play charades ( <a href="https://www.familyeducation.com/fun/family-games/how-play-charades">https://www.familyeducation.com/fun/family-games/how-play-charades</a> )	Listen to an astronaut read you a story! ( <a href="http://www.storytimefromspace.com">www.storytimefromspace.com</a> )	Decorate a hard-boiled egg – you could have a family competition!	<i>If you don't</i> know how to already, learn to tie your shoe laces!	Create a dance and then teach it to someone in your family.	Make music with items in your house such as pots and pans!	Create and play your own board game with your family.
