Roles and responsibilities

Staff members will act in accordance with the Accessibility Plan at all times.

The Head Teacher, in conjunction with the governing board will create an Accessibility Plan with the intention of improving the school's accessibility.

The governing body will be responsible for monitoring the Accessibility Plan and will approve the Accessibility Plan before it is implemented.

All staff members are responsible for ensuring that their actions do not discriminate against any pupil, parent/carer or colleague.

The Head Teacher will ensure that staff members are aware of individual pupils' disabilities or medical conditions where necessary.

During a new pupil's induction at Lodge Primary School, the Head Teacher will establish whether the pupil has any disabilities or medical conditions which the school should be aware of.

Accessibility Plan

Lodge Primary School's Accessibility Plan demonstrates how access will be improved for pupils with disabilities, staff, parents/carers and visitors to the school within a given timeframe.

The plan has the following key aims:

- To increase the extent to which pupils with disabilities can participate in the curriculum

The Accessibility Plan will be used to advise other school planning documents and will be reported upon annually in respect of progress and outcomes.

The Accessibility Plan will be published on the school website.

Lodge Primary School will collaborate with the LA in order to effectively develop and implement the plan.

An access audit will be undertaken by the governing body and SENCO on an annual basis.

The school will provide adequate resources for implementing plans, ensuring pupils are sufficiently supported.

During Ofsted inspections, the inspectorate may include the school's Accessibility Plan as part of their review.

The LA will prepare accessibility strategies based on the same principles as the school's Accessibility Plan.

Lodge Primary School is committed to developing a culture of inclusion, support and awareness.

Staff members will be aware of any pupils who are at a substantial disadvantage and will take the appropriate steps to ensure the pupil is effectively supported.

The Accessibility Plan will detail any barriers which are hindering the opportunities for pupils with SEND. The aim of the plan is to take appropriate measures in order to overcome these barriers, allowing all pupils equal opportunities.

Wherever possible, teaching staff will adapt their lesson plans and the curriculum in order to allow all pupils to reach their full potential and receive the support they need.

Lodge Primary School will ensure that all extracurricular activities are accessible to all pupils. The school will make all reasonable adjustments to allow pupils with SEND to participate in all school activities.

All pupils, including those with SEND, will have appropriate access to all of the opportunities available to any member of the school community. Information will be obtained on future pupils in order to facilitate advanced planning.

Prospective parents/carers of pupils with EHCPs, and pupils with SEND, are invited to a transition meeting prior to the pupil starting the school in order to discuss the pupil's specific needs.
