

Welcome back!

If you need to speak to a member of staff, please wait until all the children have left at the end of the session.

Attendance

If your child is ill or needs to attend an appointment, please leave a message on the school answer phone or with the office.

Nursery Newsletter

Summer Term 1 - 2022

Topic

This term's topic is: **'Build and Construct'**
We will be finding out about different types of structures and the materials they can be built from, as well as looking for shapes and patterns in the buildings around us. We will also be celebrating the Queen's Platinum Jubilee.

Just a reminder that Nursery times are:

AM: 8:45-11:45am

PM: 12:30-3:15pm

Please try to arrive on time, as your child will be missing out on important learning.

Books to share

Books will be sent home on a Wednesday and need to be returned the following Monday. Don't forget to make a comment in your child's Reading Record so they can collect smiley face stamps. 😊

Personal, Social and Emotional Development

If your child is moving up to Reception, you might want to start talking to them about this exciting time. Don't forget to send in a Magic Moments that we can put in your child's Marvellous Me book.

Communication and Language

Please continue to talk your child about what they do at school each day. What have they enjoyed doing today? What did they not like doing? Why?

Physical Development

Please continue to encourage and support your child with being independent in their toileting and self-care skills, such as wiping their nose.

Top Tip!

Reading with, and to, your child is perhaps the single most important thing you can do to help your child become a successful reader. Never underestimate the power of sharing a book!
