

English

This term, Year 5 will be reading 'Good night Mister Tom' whilst practising a range of reading skills. In writing, we will be using a wide range of grammatical features to write a tragedy and warning story. Furthermore we will be conducting a debate linked to a discussion text we will be writing in Talk 4 Writing.

Maths

Every term in Maths we work on number skills, written and mental calculation methods and skills, fractions and decimals, statistics, measures and data handling. We are still working on our times tables every day to improve our counting, number facts and calculation skills. We will be completing problem solving lessons which focus on our ability to work

History

Children will study aspects or themes in British history including: life during the war, the Battle of Britain and D-Day.

P.E

In PE, Children will be honing their evasion skills whilst playing a range of sports. They will also practise their catching and throwing skills in cricket.

P.S.H.E

During lessons there will be a strong focus on mindfulness and well-being. We will be continuing to complete our Dot.com booklets.

Year: 5

Topic: World War II

ICT - To ensure that children are aware of the dangers of using the internet, we will be completing an e-safety unit. This teaches the children how to stay safe and protect themselves online. We will also be completing our new coding topic on Espresso.

Art / D.T

In Art, we will be studying Henry Moore and his war drawings.

Geography

We will be using maps of different scales to find out about the countries involved in World War II. We will also be looking at the effects of war on places in Britain.

Science

In the first half term, we will be studying properties of materials.

In the second half term, we will be studying the human life cycle and the reproduction

Music

We will be learning and singing traditional war songs and composing our own piece of music.
